

Occupational Therapist – Job ID # 24687

DISCOVER – EXPLORE – ENJOY this great opportunity with Hawai'i Pacific Health!

Apply today and discover your next rewarding career experience! Find your potential at Hawai'i Pacific Health, Hawai'i's largest healthcare system. Join the team at Straub Clinic & Hospital and Occupational Therapy department.

Your role as an Occupational Therapist will be to provide direct occupational therapy services and consultation for outpatients at medical center locations. This opportunity will allow you to work at two different clinic locations. We are specifically looking for hand experience and outpatient experience.

Straub is a complete health care system, which means the primary physicians, specialist physicians, clinics and hospital staff are all part of the same organization. Straub cares for and comforts patients throughout the state at both the hospital and clinic locations. Straub offers a network of neighborhood clinics on O'ahu, Lana'i, and visiting specialists on the Big Island as well as the services of nearly 200 physician specialists.

Minimum qualifications: Current Hawai'i Occupational Therapy cert and Current Heart Saver-AED card.

Preferred: NBCOT certified. One year outpatient occupational therapy evaluation and treatment experience.
